33 Station Street, Bowral.
Oct. 15th-27th. 10am-4pm 7 days.

Ann Rayment

Janelle Davis

Roslyn Hughes

The world around us is constructed of elements which are perpetual and ephemeral. The perpetual provides a basis of representation depicted by form, shape, colour and texture. The ephemeral is a challenge these artists accept, with their works seeking to stimulate passing responses derived by the viewer's interpretation, as relating to their own experience.
