Wombat and Wildlife Magnetism Seminar

Mittagong RSL Saturday 1 May 2021

9.30am for a 10am start

The half hour before the talks begin will enable attendees to mingle, watch background films and read guest speaker profiles. There will be a question box so attendees will have a chance to write questions and comment on what they want from the seminar. Wombatised* merchandise will be available to purchase.

Please note that there will be no morning tea break but that there will be a lunch break from 1:00 to 2:00. Tea, coffee and other refreshments are readily available at the RSL, at attendees' expense. Session times will be flexible to cater to audience needs and possible delays etc.
