have a happy
**Highlands
Christmas**

**2021
Southern Highlands
Festival of Lights**

After a very dark winter, this December we are asking retailers, restaurants and cafes owners, and businesses in Mittagong, Bowral and Moss Vale (especially if you have a street frontage) to join us and decorate your premises with LED Christmas/Fairy Lights as part of the 2021 Southern Highlands' Festival of Lights.

We are encouraging businesses to leave their Christmas/Fairy lights on over night from the 1st – 28th December.

Together we can create a beautiful festive season!
