

TRACEY MILLER ART

Ink on yupo art workshop.

When: Saturday 24 October 2020. 10AM - 4PM
Studio: 1, BDAS, 1 Short St, Bowral, NSW
Cost: \$140 - Ink on Yupo

Alcohol inks create vibrant transparent color unlike any other medium and form lovely patterns within your painting.

Alcohol Ink is a highly pigmented and quick-drying medium applied by pouring, brushing or stamping on a non-porous surface such as Yupo. The vibrant colours of this ink intermingle creating unique textural effects, often leading to unexpected results.

Our class will begin with a demonstration on techniques of pouring, brushing and creating textures with inks and other materials. The remaining time will be spent discovering the unique possibilities of working with alcohol inks on Yupo, with sufficient time to complete a few paintings. Each participant will leave with several experimental pieces.

Tracey has many years of experience guiding beginner and intermediate artists in creating pieces they proudly cherish. This workshop is perfect for those who just don't have the time to commit to a full class term OR want to try something new.

Included: Tuition, inks and paper, morning tea & coffee and parking.

Please bring: Your own apron, coffee cup, lunch and enthusiasm!

Social distancing will be observed.
