INTO THE HORIZON

9-19 June 2023 - Opening 10 June

Louise Campbell-Smith

Seeking out the forever, into the dusk, into the sunset, that point where we fall into the realm of nothing and everything. These recent works in oil, acrylic and pen aim to catch the moments of the every day that echo the forever, moments of driving onwards into the sunset into the future; the open sky of a landscape, the fast-changing light – reflections of our being as we seek the spaces between.
